- **Hearing is an involuntary process through which noise and vibration cause the fluid in the ears to move, sending the sound to the brain**
- **In contrast, listening is a voluntary action whereby one makes conscious effort to understand the sound once it reaches the brain**

THE FOLLOWING SECTION HAS TWO OPTIONS; ONE IS (TRUE) THE OTHER IS (FALSE). INDICATE TRUE OR FALSE ACCORDINGLY. USE THE ANSWER BOOKLET TO INDICATE THE ANSWER OF YOUR CHOICE [10MARKS]

1. There are only Two types of referencing in academic writing……**FALSE**

2. In direct citation, there is no need to use quotation marks……**FALSE**…….

3. When you indent the referenced text you are simply making it bold and indicate authors surname, year of publication and page number……**TRUE**…….

4. Communication can be intrapersonal which means talking amongst different groupings……**TRUE.**

5. The following is true of Harvard referencing, if you have TWO authors of the same surname, you will list them in alphabetical order using their initials. ……..**TRUE**

6. In active listening the physicians pays attention to detailed verbal or spoken words……**TRUE**

7. Questioning skills involves both open and closed ended questions……**TRUE**

8. Critical reading is important when writing both expository and argumentative essays……**TRUE**

9. The concept 1-3-1 essay means 1 paragraph of introduction, 3 the main body with three paragraphs and 1 paragraph of conclusion……**TRUE**

10. In paraphrasing the physician or listener restates what he/she hears using his/her own words without altering the original……..**TRUE**

ESSAY QUESTIONS; THIS SECTION HAS THREE (3) QUESTIONS ANSWER TWO QUESTIONS ONLY; QUESTION ONE IS A COMPULSORY QUESTION CHOOSE ANY OTHER FROM THE REMAINING QUESTIONS [30 Marks]

1. Discuss with examples (at least 5) what is meant by improper advertisement in relation to profession conduct. [10 Marks]

   ANSWERS:

- **Wrong wearing of nurses uniform**
- **Going for work drunk**
- **Selling drugs meant for the patients**
- **Speaking ill about the follow health worker to the patients or relatives**
- **Insulting patients**
- **Eating patients food**
- **Having sexual relationships with patients or their relatives**

2. In details extrapolate the significance of Smart Health Care model and how best it can be functional and enhanced in your profession. [10 Marks]

- **Very effective and efficient when it comes to service delivery**
- **Very minimal errors when it comes to surgical operations**
- **They keep records for a longer period of time without being lost**
- **They reduce work load on the part of human resource**
- **They are cost effective**
- **Most trusted to be used unlike the use of human brings**
- **They can easily be controlled and maintained**

3. With a good diagram as your aid explain and define communication and how it operates in our daily lives, give examples on how it flows and how it can be perfected. [10 Marks]

-Communication is the process of sending and receiving information from one person to another or from one organization to another

HOW COMMUNICATION OPERATES

4. **Sender- The person responsible of initiating information**
5. **Channel- The medium through which the information is passed on from one person to another**
6. **Encoding- Interpreting of information by the sender in order to have an understanding of the information being sent if its good or bad information**
7. **Receiver- The person who receives information sent by the sender**
8. **Decoding- The process of interpreting information sent by the sender in order to understand the meaning of the information sent**
9. **Feedback- The process of responding to the information received.**

Communication Skill

Multiple Choice Questions & Answers:-

1. Communication is a non-stop_____.

(A) Paper

(B) Process

(C) Programme

(D) Plan

Answer:-B

2. Communication is a part of _____ skills.

(A) Soft

(B) Hard

(C) Rough

(D) Short

Answer:-A

3. The _____ is the person who transmits the message.

(A) Receiver

(B) Driver

(C) Sender

(D) Cleaner

Answer:-

4. _____ is the person who notices and decodes and attaches some meaning to a message.

(A) Receiver

(B) driver

(C) sender

(D) cleaner

Answer:- A

5. Message is any signal that triggers the response of a _____

(A) Receiver

(B) Driver

(C) Sender

(D) Cleaner

Answer:- A

6. The response to a sender€™s message is called _____

(A) Food bank

(B) Feedback

(C) Food

(D) Back

Answer:-B

7. _____ context refers to the relationship between the sender and the receiver

(A) Social

(B) Physical

(C) Cultural

(D) Chronological

Answer:-A

8._____ context refers to the similarity of backgrounds between the sender and the receiver.

(A) Physical

(B) Social

(C) Chronological

(D) Cultural

Answer:-D

9._____ refers to all these factors that disrupt the communication.

(A) Nonsense

(B) Noise

(C) Nowhere

(D) Nobody

Answer:-B

10. Environmental barriers are the same as _____ noise.

A) Physiological

(B) Psychological

(C) Physical

(D) Sociological

Answer:-C

11. Our dress code is an example of _____ communication.

(A) Verbal

(B) Nonverbal

(C) Written

(D) Spoken

Answer:-B

12. Communication strengthens _____ & _____ relationship is an organization.

(A) employer-father

(B) employer-employer

(C) mother-employer

(D) mother-child

Answer:-B

13. _____ communication includes tone of voice body language, facial expressions etc.

(A) Nonverbal

(B) Verbal

(C) Letter

(D) Notice

Answer:-A

14. When there is similarity of background between the sender and the receives such as age, language nationality, religion, gender then this is called _____ context.

(A) social

(B) Cultural

(C) Physical

(D) Dynamic

Answer:-B

15. Letter, e-mail telephone are examples of _____

(A) Message

(B) Feedback

(C) Channel

(D) Encoding

Answer:-C

16. Understanding _____different parts of speech forms the base of leaning grammar

(A) Five

(B) Eight

(C) Six

(D) Seven

Answer:-B

17. It is of paramount importance that one need to construct a _____sentence in the day to day affairs

(A) Wrong

(B) Correct

(C) Incorrect

(D) Night

Answer:-B

18.A_____way be defined as the name of a person place or thing

(A) Verb

(B) Noun

(C) Pronoun

(D) Adverb

Answer:-B

19. According to Hoban communication is the _____ interchange of thought or idea.

(A) Visual

(B) Audio

(C) Verbal

(D) Written

Answer:-C

20. The person who transmits the message is called the ____ or

(A) Sender

(B) Gives

(C) Taker

(D) Receiver

Answer:-A

21. Proper nouns always begin with _____letters

(A) Running

(B) Capital

(C) Small

(D) Numerical

Answer:- B

22. _____nouns require capitalization only if they start the sentence or are part of a title

(A) Common

(B) Proper

(C) Abstract

(D) Collective

Answer:-A

23. Once the message is encoded in a desired format it is transferred through a medium called _____

A) Channel

(B) Medium

(C) Media

(D) Way

Answer:-A

24. The nouns which cannot be felt, seen or heard are called _____

(A) Common

(B) Proper

(C) Abstract

(D) Collective

Answer:-C

25. The information which is transferred to the receiver has to be interpreted this process is called _____

(A) Encoding

(B) Decoding

(C) Opening

(D) Closing

Answer:- B

26. All communication events have a _____.

(A) Resource

(B) Source

(C) Start

(D) End

Answer:- B

27. Personifications of strength and violence are considered as _____ gender.

(A) masculine

(B) Feminine

(C) common

(D) Neuter

Answer:-A

28. The message may be misinterpreted because of _____

(A) Barriers

(B) Distortions

(C) Distractions

(D) Noise

Answer:- A

29. The environment in which the transmitter or receiver are should be ____

(A) Complex

(B) Competent

(C) Complete

(D) Compatible

Answer:-D

30. A noun that dandies neither a male or a female is _____gender

(A) Masculine

(B) Feminine

(C) Common

(D) Neuter

Answer:-D

31. Countries when referred to by names are also considered _____

(A) Masculine

(B) Feminine

(C) Common

(D) Neuter

Answer:-B

32. The Christian sign of the ____ is a gesture pertaining to religion and spirituality.

(A) Plus

(B) Minus

(C) Division

(D) Cross

Answer:-D

33. In oral communication there is a possibility of immediate _____

(A) Reaction

(B) Response

(C) Refection

(D) Reset

Answer:- B

34. In oral communication the speaker can observe the listener _____ to what is being elated.

(A) Reaction

(B) Response

(C) Rejection

(D) Reset

Answer:- A

35. White talking to friends you do not pay attention to the skills of _____ Communication.

(A) Written

(B) Oral

(C) audio

(D) visual

Answer:-B

36. In oral presentation outside your organisation you must first give the audience a _____ of your organization.

(A) Flash back

(B) Background

(C) Front view

(D) Forward view

Answer:-B

37.The _____ are used to present using overhead projectors.

(A) Acetate film transparent sheet

(B) Paper sheets

(C) Polythene sheet (D) Butter paper

Answer:-A

38. Any word that adds more meaning to the noun is called an _____

(A) Adverb

(B) Verb

(C) Adjective

(D) Noun

Answer:- C

39. A_____indicates the action done by the subject

(A) Verb

(B) Adverb

(C) Noun

(D) Pronoun

Answer:-B

40. A_____is a word which connects words phrases , clauses or sentences

(A) Preposition

(B) Conjunction

(C) Interjection

(D) Verb

Answer:-B

41. During presentation using an OHP. One can read information line by line using an opaque sheet to cover the transparency with a view to minimize distraction. This technology is called _____

(A) Positive disclosure (B) Zero disclosure

C) Negative disclosure

(D) Progressive disclosure

Answer:-D

42. Another thing that you have to avoid is adding to OHP with a _____ during a talk.

(A) Chalk

(B) Pencil

(C) Pen

(D) Marker

Answer:-C

43. It is important to consider proper _____ room where you are giving your presentation.

(A) Darkness

(B) lighting

(C) Lightning

(D) ventilation

Answer:- B

44._____ Listening means learning through conversation

(A) Evaluative

(B) Appreciative

(C) Dialogic

(D) Empathetic

Answer:- C

45.In _____ Listening the difference between the sounds is identified

(A) Discriminative

(B) Comprehension

(C) Dialogic

(D) Empathetic

Answer:-A

46.The _____is an exclamation mark

(A) ?

(B) .

(C) ,

(D) !

Answer:-D

47. Evaluative listening is also called _____

(A) Therapeutic

(B) Evaluative

(C) Dialogic

(D) Empathetic

Answer:- A

48. The_____is the action or description that occur in the sentence

(A) Predicate

(B) Subject

(C) Object

(D) Complement

Answer:-A

49. The _____speech is also called as reported speech

(A) Direct

(B) Indirect

(C) Indefinite

(D) Definite

Answer:- B

SECTION A; MULTIPLE CHOICE QUESTIONS [40 MARKS]

On each of the following questions, shade the letter corresponding with the most appropriate answer using the answer zip grid (1 mark each)

1. What is the full form of CPU?

A. Computer Processing Unit

B. Computer Principle Unit

C. Central Processing Unit

D. Control Processing Unit

2. Personifications of strength and violence are considered as _____ gender.

A. masculine

B. feminine

C. common

D. neuter

3. The message may be misinterpreted because of _____

A. barriers

B. distortions

C. distractions

D. noise

4. The environment in which the transmitter or receiver are should be ____

A. complex

B. competent

C. complete

D. compatible

5. A noun that dandies neither a male or a female is _____gender

A. masculine

B. feminine

C. common

D. neuter

6. Countries when referred to by names are also considered _____

A. masculine

B. feminine

C. common

D. neuter

7. The Christian sign of the ____ is a gesture pertaining to religion and

spirituality.

A. plus

B. minus

C. division

D. Cross

8. In oral communication there is a possibility of immediate _____

A. reaction

B. response

C. refection

D. reset

9. In oral communication the speaker can observe the listeners _____ to what is being elated.

A. reaction

B. response

C. rejection

D. reset

10. While talking to friends you do not pay attention to the skills of _____Communication.

A. written

B. oral

C. audio

D. visual

11. In oral presentation outside your organisation you must first give the audience

a _____ of your organization.

A. flash back

B. background

C. front view

D. forword view

12. The _____ are used to present using overhead projectors.

A. acetate film transparent sheet

B. paper sheets

C. polythene sheet

D. butter paper

13. Any word that adds more meaning to the noun is called an _____

A. adverb

B. verb

C. adjective

D. noun

14. During presentation using an OHP. One can read information line by line using an opaque sheet to cover the transparency with a view to minimize distraction.

This technology is called _____

A. positive disclosure

B. zero disclosure

C. negative disclosure

D. progressive disclosure
